SERVICES × INDUSTRIES

FIVE ROUTES TO ₹3,00,000 A MONTH

12
at ₹25K each
Local packs and measurement retainers. Fastest to close, most to manage.

10
at ₹30K each
The stated profit floor. Ten clients is a real delivery load.

6
at ₹50K each
Clinics, interiors, study abroad. The realistic middle.

4
at ₹75K each
Developers, hospital groups, school groups. Slow to close.

5
at ₹60K average
Two anchors plus three cash-tier clients. The likely shape.

STARTING POSITION

₹25,000 signed ₹3,00,000

One retainer in. At a 1-in-5 close rate the shortest route needs about **30 real conversations** — three a week.

WORK THESE FIRST — THE CASH TIER

Small scope, one decision maker, closes inside a month, clears the ₹30K profit floor. Real estate and hospital groups are the anchor tier — pursue them while these pay the bills.

- Dental & skin clinics
- CA & CFO firms
- Study abroad
- Coaching institutes
- Solar installers
- Home services
- Anyone already running ads

32 services, in five links

Every service belongs to exactly one link in the chain between a stranger and a sale. Measurement runs under all four of the others — it is the only line that explains the name, and the cheapest door into any account.
